On June 4, 2016, Sullivan City Police Department (SPD) conducted a traffic stop on a red Dodge Charger near the intersection of US Expressway 83 and FM 886. The traffic stop was conducted for failure to stop at a designated point. The officer approached the vehicle and observed a female driver and two male passengers who were sitting in the rear passenger area of the vehicle. The officer identified the driver as Jovanna Marie GONZALEZ. The two passengers were believed to be in the United States illegally, so SPD contacted United States Border Patrol (BP) agents who were able to confirm the two male passengers were in fact in the United States without any document which would allow them to be in, reside, or pass through the United States legally.

During a post Miranda interview of GONZALEZ, she stated she knew what she was doing and was going to transport the two male undocumented aliens (UDAs) to a residence in McAllen, Texas. GONZALEZ also stated she was going to be paid \$200 USD per person she was transporting.

Nestor Oloniel Cerna-Vasquez and Dulce Nombre Mejia-Perez, both citizen of El Salvador, will be held as material witnesses in this case.

*During an interview Cerna-Vasquez was able to identify GONZALEZ as the person who was driving the vehicle he was being transported in. Cerna-Vasquez also stated GONZALEZ also instructed the two UDAs to lay down so no one would see them.*
